## NRS BRAKES ADDS TO ITS GALVANIZED BRAKE PAD OFFERING

---

September 12, 2019

NRS Brakes has added **57 new skus** to its North American made Galvanized brake pad line-up representing coverage for an additional **1,600 vehicle applications**. The offering covers vehicles including Honda, BMW, Ford, GMC Trucks, Nissan and more.

NRS Brakes include ground breaking technology such as the [Noise Cancelling Piston Insert](#). In addition to the Electronic Wear Sensor (where needed) which gives the most accurate gauge on how much brake pad life is left.
